Dear Parents and Carers,

Residential Trip: Minstead Study Centre 2027

We are excited to launch the upcoming Year 4 residential trip to the **Minstead Study Centre** for our current Year 3 pupils. This visit will take place from **21st – 25th June 2027**, during their next academic year.

Each class will spend three days and two nights at this amazing local facility set in the heart of the New Forest. While there, the children will have fantastic opportunities to explore the natural environment and build their independence. The expert teachers at Minstead lead various workshops, ranging from rivers and minibeasts to sustainability, offering wonderful practical experiences for the children to enjoy with their friends.
